**Assignment 0123 Feedback**

Proficiency *1a* can only go as high as | in this assignment because, well, we've only just begun. Future assignments will build you up to a + eventually.

*1a* — Looks like you're well on your way to a decent level of command line proficiency. Your examples could have been a little more sophisticated and you had some small mistakes in your definitions, but other than that things are fine.

Missing is your DIY repository—where is it? I did not see any notification from you on where it is. (/)

*4d* — No problems with looking up information and restating them. (+)

*4e* — Version control frequency and messages are appropriate for the work done. (+)

*4f* — Assignment done on time, except for DIY repository. (|)
